### Resolution of Adoption Amending Town Code Chapter 8 (Budget) to Establish a Debt Reduction Policy for Capital Projects

WHEREAS, the Town Board is considering amending Town Code Chapter 8 (Budget) to establish a debt reduction policy for capital projects; and

WHEREAS, a public hearing was held by the Town Board of the Town of Southampton on March 14, 2017, at which time all persons either for or against said amendment were heard; and

WHEREAS, the Department of Land Management has advised the Town Board that this proposed local law is considered a "Type II Action" under 6 NYCRR Part 617.5, provisions of the New York State Environmental Quality Review Act (SEQRA) and Chapter 157 of the Town Code, and that no further review under New York Conservation Law, Article 8, is necessary; now therefore be it

RESOLVED, that Local Law No. of 2017 is hereby adopted as follows:

#### LOCAL LAW NO. OF 2017

A LOCAL LAW amending Town Code Chapter 8 (Budget) to establish a debt reduction policy for capital projects.

BE IT ENACTED by the Town Board of the Town of Southampton as follows:

#### **Section 1. Legislative Intent.**

The Southampton Town Board remains committed to strengthening the Town's financial policies in order to ensure its sound fiscal position and stability both now, and for the future. As part of these policies, the Town Board has determined that further work can be done to reduce the Town's future borrowing needs. In particular, by way of this local law, the Town Board seeks to use surpluses in its funds, such as the General Fund or the Highway Fund, to offset the amount of money needed to borrow to fund capital projects within that fund in the ensuing fiscal year.

Indeed, while ideally the Town hopes to adopt a balanced budget with annual estimates for revenues equaling anticipated expenditures, often times, due to the Town's conservative budgeting approach, unexpected grant awards and/or reimbursements, and unanticipated rises in revenues, the Town is left with a surplus in one or more of its funds. While a certain percentage of surplus must first be set aside for the Town's contingency and tax stabilization reserve fund pursuant to Town Code §8-5, the remaining surplus monies may be attributed to reduce other costs, such as the amount needed to borrow for approaching capital projects.

By devoting these surplus monies to lowering the cost of capital projects - because less money would need to be borrowed - the Town is working towards reducing its overall debt and, as a residual effect, ultimately reducing the amount of taxes that need to be raised from its taxpayers, a goal the Town Board continually strives towards.

**Section 2. Amendment.**

Town Code Chapter 8 (Budget) is hereby amended by adding the underlined words as follows:

**§8-5.1. Debt Reduction for Capital Projects.**

- A. The Town Comptroller shall allocate 75% of any remaining unappropriated unreserved fund balance to offset the cost of capital project funding in the following fiscal year.
- B. This allocation shall be made only after the appropriate amounts are first set-aside pursuant to the Town's contingency and tax stabilization reserve fund policy as dictated by §§8-5(A) and (B), above.
- C. This allocation shall be made only within the fund from which the unappropriated unreserved fund balance originated.
- D. This allocation shall be memorialized by Town Board resolution, identifying the capital project towards which said monies shall be applied.
- E. The Town Comptroller shall provide the Town Board with a report on the status of the Town's year-end funds prior to the end of the first quarter of the following fiscal year.
- F. If no capital project exists towards which the allocation may be made, then the unappropriated unreserved fund balance shall remain in the fund from which it originated, for the Town Board to use as it deems necessary.

**Section 3. Authority.**

The proposed local law is enacted pursuant to Municipal Home Rule Law §§10(1)(i), 10(1)(ii)(a)(11), and 10(1)(ii)(a)(12), as well as in furtherance of Town Law §112.

**Section 4. Severability.**

If any section or subsection, paragraph, clause, phrase, or provision of this law shall be adjudged invalid or held unconstitutional by any court of competent jurisdiction, any judgment made thereby shall not affect the validity of this law as a whole, or any part thereof other than the part or provision so adjudged to be invalid or unconstitutional.

**Section 5. Effective Date.**

This local law shall take effect immediately upon filing with the Secretary of State pursuant to Municipal Home Rule Law.

AND BE IT FURTHER RESOLVED, that the Town Clerk is hereby authorized and directed to publish the following Notice of Adoption:

**NOTICE OF ADOPTION**

TAKE NOTICE, that after a public hearing was held by the Town Board of the Town of Southampton on March 14, 2017, the Town Board, at its meeting of March 14, 2017,
